Ramsay Health Care welcomes Dr David Seaton to North West Private Hospital.

David is a Nuclear Physician and a Cardiologist. He graduated in Medicine from the University of Queensland in 1986. David underwent his specialist training in nuclear medicine and cardiology at the Royal Brisbane and Prince Charles Hospitals. He is a visiting medical officer at the Prince Charles Hospital and works privately with Queensland Nuclear Imaging and North West Hospital Cardiology.

### North West Cardiology accepts referrals for:

- Transthoracic Echocardiograms
- ECGs
- Exercise Stress Echocardiograms
- Myocardial Perfusion Scans (performed at QNI)
- Ankle Brachial Index tests
- Holter Monitors
- Cardiac consultations

David reports on the above services for North West Hospital Cardiology.
